Foreword EHF President

Dear handball friends,

It gives me great pleasure to welcome supporters, players, officials and partners to the resumption of the 2021/22 season of the EHF Champions League Men.

We are back in action having seen Europe's top players represent their countries at the Men's EHF EURO 2022 in January. 46 players from EHF Champions League clubs starred on the final day of the championship in the Budapest Arena.

Sweden ended their 20-year wait for a title, beating Spain with a dramatic final-second penalty as 17 players from Europe's elite club competition took part, including championship MVP Jim Gottfridsson, while there were 26 players in the squads of the bronze medal contenders France and Denmark. In total, 10 of the 16 EHF Champions League clubs were represented by those four teams, topped by SG Flensburg-Handewitt thanks to their Scandinavian stars from Denmark (6) and Sweden (2). Below Flensburg, record EHF Champions League winners Barça and PSG each had seven players in the final and the bronze medal match.

As we look forward to the business end of the season, the challenges posed by Covid-19 were brought into sharp focus at the event in Hungary and Slovakia. Which is why we should celebrate one of our biggest accomplishments this season, the fact that all matches scheduled in the competition to date have been played despite the challenge that we will always face different environments in different countries across Europe.

As we hit the final rounds of the group phase it is good to keep in mind that every match has a role to play in the competition's big picture. The top two teams in each group will qualify directly for the quarter-finals with teams finishing in seventh and eighth place eliminated. The four remaining teams from each group (3rd-6th) will qualify for a play-off round, before progressing to the quarter-finals and ultimately to the EHF FINAL4.

Once more fans are enjoying an 'appointment to view' each week, without overlap of women's and men's top competitions. EHF Champions League games are played on Wednesdays and Thursdays at 18:45 and 20:45 CET, with Saturdays and Sundays set aside for the DELO EHF Champions League.

As ever we, together with clubs and our partners, are ensuring that the EHF Champions League continues to bring drama, excitement and passion until the EHF FINAL4 has been played on 18/19 June 2022 at the impressive LANXESS arena in Cologne, Germany.

Whether you are watching inside arenas or from the comfort of your own home. On behalf of the EHF and EHF Marketing I wish you a second half of the season to remember.

Yours in sport,

Michael Wiederer
EHF President

Pròleg del President de l'EHF

Benvolguts amics de l'handbol,

Tinc el plaer de donar-vos la benvinguda a la fase de grups de la Lliga Europea EHF Femenina per a la temporada 2021/22.

Malgrat totes les dificultats relacionades amb la pandèmia de la temporada passada, la gran majoria dels partits es van poder jugar. Vull expressar el meu agraïment a tots els clubs per la seva excel·lent col·laboració.

La competició va culminar amb l'excel·lent cap de setmana de les Finals de l'EHF Femenina a Baia Mare i la primera temporada ja va demostrar que la decisió de reformar el sistema de competicions de clubs l'estiu del 2020 va ser un pas en la bona direcció. També és agradable que tots els partits de la fase de grups es retransmetin en directe per EHFTV i que els aficionats puguin tornar als estadis i crear un autèntic ambient d'handbol cada cop més sovint.

Tinc moltes ganes que arribin les properes sis rondes en les quals s'enfrontarà una barreja eclèctica d'equips que lluiten pels seus llocs en unes eliminatòries tan importants: els quarts de final i, en última instància, les Finals de l'EHF Femenina de 2022.

Entre els 16 equips competidors, hi ha representades nou nacions de l'EHF, cosa que ofereix a la competició d'aquesta temporada una combinació d'estils ben diversa, una prova més del que fa que aquesta competició sigui tan captivadora.

Les campiones que defensen el títol, Les Neptunes de Nantes, s'enfrontaran a les altres competidores de les Finals de l'EHF de 2021 i a les amfitriones del CS Minaur Baia Mare de Romania, així com a l'SG BBM Bietigheim de la Bundesliga alemanya en un grup.

Les novingudes a la competició europea de clubs Motherson Mosonmagyaróvár KC d'Hongria s'enfronten al Sola HK, l'equip noruec que pivota al voltant d'una de les jugadores més condecorades de l'handbol noruec, Camilla Herrem, en un altre grup.

A més, el Lada, l'anterior equip guanyador de la Copa EHF i de la Recopa i finalista a la Lliga de Campions de l'EHF, s'enfrontarà a dos oponents escandinaus: l'equip participant a la final de l'EHF de la temporada passada Herning-Ikast Handbold de Dinamarca, així com a l'Storhamar Handball Elite de Noruega.

Al grup restant, hi ha un dels equips més guardonats de l'handbol femení europeu que ha atresorat diversos trofeus de la Lliga de Campions, la Copa EHF i la Recopa, el Viborg HK, juntament amb els recents candidats a la Lliga de Campions DELO EHF SCM Ramnicu Valcea.

Desitjo als socis de tots els equips molta sort als partits de la fase de grups.

La convivència feta palesa per tots els membres de la comunitat d'handbol ens ha infós una veritable força a tots i espero que quan puguem celebrar el cap de setmana de la final d'aquesta competició al maig sigui en unes circumstàncies que ens permetin gaudir-ne tots plegats amb seguretat.

Rebeu una salutació esportiva,

Michael Wiederer
President de l'EHF
