Foreword EHF President

Dear handball friends,

Four tantalising pairings in last step on Golden Road to Cologne

The Machineseeker EHF Champions League 2023/24 threw off seven months ago with 16 teams on the starting grid. After 14 intense rounds of the group phase followed by the captivating play-offs, only eight clubs can still dream of lifting the coveted trophy this season.

Which teams dare to rise to the occasion in crunch time?

The last step on the Golden Road to Cologne are the quarter-finals, with the opening leg to be played on 24/25 April and the all-decisive return leg on 1/2 May. The eight matches will determine the quartet that advances to the TruckScout24 EHF FINAL4 2024 at LANXESS arena on 8/9 June.

The stunning quality of the quarter-final lineup guarantees handball fans worldwide of two midweeks full of excitement and drama. Five (former) titleholders are still in the mix, while the three other teams have played the EHF Champions League final at least once in the past. It is really game on!

Two teams that are yet to win their first title meet when Telekom Veszprém HC take on Aalborg Håndbold in a hard-to-predict Hungarian-Danish clash.

Record champions Barça hope to get back onto the throne after two years, but the Spanish side will need to get past Paris Saint-Germain Handball, who aim to finally realise their trophy ambitions.

A second French side is still in the running, as two-time champions Montpellier HB face four-time titleholders THW Kiel for a ticket to Cologne.

Germany also has a second team still in the race, as defending champions SC Magdeburg are set to meet Industria Kielce again, a rematch of last season's final. This duel will be the highlighted Match of the Week in the first leg.

The race to the most coveted trophy in men's club handball has now reached its business end. Enjoy the quarter-finals!

Foreword EHF President

Estimats amics de l'handbol,

Quatre aparellaments tantalitzants en l'últim pas cap a la carretera daurada a Colònia.

La Machineseeker EHF Champions League 2023/24 va començar fa set mesos amb 16 equips a la graella de sortida. Després de 14 rondes intenses de la fase de grups seguides dels emocionants play-offs, només vuit clubs encara poden somiar a alçar el trofeu tan desitjat aquesta temporada.

Quins equips s'atreveixen a estar a l'altura en els moments decisius? L'últim pas a la carretera daurada a Colònia són els quarts de final, amb el partit d'anada que es jugarà els dies 24/25 d'abril i el partit de tornada decisiu els dies 1/2 de maig. Els vuit partits determinaran el quartet que avança la TruckScout24 EHF FINAL4 2024 a l'arena LANXESS els dies 8/9 de juny.

La sorprenent qualitat de l'elenc de quarts de final garanteix als fans de l'handbol de tot el món dues mitges setmanes plenes d'emoció i drama. Cinc (ex)campions encara estan en joc, mentre que els altres tres equips han jugat com a mínim una vegada la final de la Lliga de Campions de l'EHF. És hora de la veritat!

Dos equips que encara no han guanyat el seu primer títol es troben quan el Telekom Veszprém HC i l'Aalborg Håndbold s'enfronten en un partit hongarès-danès difícil de predir.

Els campions de rècord del Barça esperen tornar al tron després de dos anys, però l'equip espanyol haurà de superar el París Saint-Germain Handball, que vol finalment fer realitat les seves ambicions de trofeu.

Un segon equip francès encara està en cursa, ja que el dos cops campió Montpellier HB es troba amb el quatre cops campió THW Kiel per aconseguir un bitllet a Colònia.

Alemanya també té un segon equip encara en la cursa, ja que l'actual campió SC Magdeburg es troba amb l'Industria Kielce de nou, una revenja de la final de la temporada passada. Aquest serà el duel destacat de la setmana en el partit d'anada.

La cursa pel trofeu més preuat en l'handbol masculí de clubs ha arribat ara a la seva etapa decisiva. Gaudiu dels quarts de final!
