Road to Cologne to bring new challenges for 16 clubs

16 elite teams embark on a thrilling journey to Cologne as the Machineseeker EHF Champions League 2025/26 group phase throws off on 10/11 September. The clubs will have to go through multiple challenges over 14 high-octane rounds, with the final group standings being confirmed on 11/12 March 2026.

Play-offs and quarter-finals will heat up European handball in the spring, but only four teams will reach the TruckScout24 EHF FINAL4 2026 on 13/14 June 2026. Last season has shown us that anything is possible — are you ready for more?

Defending champions SC Magdeburg celebrated their third title back in June, but this season is guaranteed to bring new challenges to all participants. Record-winners Barça share group B with the current titleholders, marking their first meeting after the dramatic 2025 semi-final, which the Spanish side lost by one goal.

Excitement is set to reach new heights as experienced clubs Paris-Saint Germain, OTP Bank – PICK Szeged, Orlen Wisla Plock, HC Zagreb, HC Eurofarm Pelister and GOG also join the race for the play-off and quarter-final spots in group B.

An interesting mix of handball stars and historic clubs makes up group A at the start of the competition, with the previous silver and bronze medalists — Füchse Berlin and HBC Nantes — as headliners. The German powerhouse is set to face familiar foes, after One Veszprém HC, Sporting Clube de Portugal and Dinamo Bucuresti were drawn to the same group, the same as last year. The Portuguese side had an impressive run in 2024/25, finishing second in their respective group and making it all the way to the quarter-finals, but losing against HBC Nantes.

Aalborg Håndbold, Industria Kielce and Kolstad Håndball also clashed in the group phase last season, and they all count on their star-studded line-ups to take one step further on the Road to Cologne. In 2024/25, the Danish side failed to reach the final weekend, while Kielce stopped in the play-offs and Kolstad settled for a disappointing seventh place in the group phase.

Another thrilling season awaits to leave its mark in the history books. Enjoy the group phase of the Machineseeker EHF Champions League 2025/26!

Camí de Colònia, amb nous reptes per a 16 clubs

16 equips d'elit comencen un emocionant viatge cap a Colònia amb l'inici de la fase de grups de la Machineseeker EHF Champions League 2025/26, que arrenca el 10/11 de setembre. Els clubs hauran d'afrontar múltiples reptes al llarg de 14 jornades d'alta intensitat, amb la classificació final de grups confirmada l'11/12 de març del 2026.

Els play-offs i els quarts de final escalfaran l'handbol europeu a la primavera, però només quatre equips arribaran al TruckScout24 EHF FINAL4 2026, que se celebrarà el 13/14 de juny del 2026. La temporada passada ens va demostrar que tot és possible — estàs preparat per a més?

El vigent campió, l'SC Magdeburg, va celebrar el seu tercer títol el juny passat, però aquesta temporada promet nous desafiaments per a tots els participants. El Barça, equip amb més títols de la competició, comparteix el grup B amb els actuals campions, en el que serà el primer enfrontament entre tots dos equips des de la dramàtica semifinal del 2025, en què els catalans van perdre per un sol gol.

L'emoció està assegurada amb la presència de clubs experimentats com el París-Saint Germain, l'OTP Bank, el PICK Szeged, l'Orlen Wisla Plock, l'HC Zagreb, l'HC Eurofarm Pelister i el GOG, que també lluitaran per una plaça als play-offs i als quarts de final dins del grup B.

El grup A presenta una combinació interessant d'estrelles de l'handbol i clubs històrics, amb els medallistes de plata i bronze de la temporada passada -el Fühse Berlín i l'HBC Nantes - com a caps de cartell. El potent equip alemany es retrobarà amb rivals coneguts, ja que el One Veszprém HC, l'Sporting Clube de Portugal i el Dinamo de Bucarest han estat emparellats al mateix grup, igual que l'any anterior. El conjunt portuguès va fer una gran temporada el 2024/25, acabant segon del seu grup i arribant fins als quarts de final, on va caure davant l'HBC Nantes.

L'Aalborg Håndbold, l'Industria Kielce i el Kolstad Håndball també es van enfrontar a la fase de grups la temporada passada, i tots tres confien en les seves plantilles plenes d'estrelles per fer un pas més en el camí cap a Colònia. El 2024/25, els danesos no van arribar al cap de setmana final, el Kielce va caure als play-offs i el Kolstad va acabar en una decebedora setena posició del grup.

Ens espera una altra temporada apassionant que deixarà empremta en la història. Gaudeix de la fase de grups de la Machineseeker EHF Champions League 2025/26!
