Start date: 01/06/2023

End date: 30/06/2026

Department of Education - Government of Catalonia

The FC Barcelona Foundation collaborates with the Department of Education to promote the Community Service Project in secondary schools. The objective is to promote civic commitment and education in values among students in 3rd and 4th year of ESO, through the Service Learning methodology, which combines training and community service actions. The agreement reinforces Barça's involvement in educational projects that promote social inclusion and active citizenship.

Start date: 31/01/2022

End date: 31/01/2026

Barcelona Provincial Council

The FC Barcelona Foundation collaborates with the Barcelona Provincial Council in the "Barça Activa't" project to promote equal opportunities and social inclusion among children and young people. Using the SportNet methodology, the project promotes physical activity, socio-educational sport and community participation in several municipalities in the province of Barcelona.

Start date: 01/01/2024

End date: 30/06/2028

Girona Provincial Council

The FC Barcelona Foundation collaborates with the Girona Provincial Council to implement the Barça Activa't project, based on the SportNet methodology, which uses sport as an educational tool to promote coexistence, social inclusion and equality between children and young people in vulnerable situations. This initiative reinforces Barça's commitment to social cohesion and community development.

Start date: 01/07/2025

End date: 30/06/2026

Salt City Council

Collaboration agreement to carry out the "Barça Activa't" project in Salt to improve the quality of life of vulnerable children and young people through socio-educational sport and the SportNet methodology. The aim is to promote inclusion, equal opportunities and social cohesion, with a special focus on diversity and gender equality.

Start date: 10/09/2025

End date: 10/03/2026

Banyoles Town Hall

The FC Barcelona Foundation collaborates with the Banyoles City Council to promote social and educational initiatives through sport, with special attention to children and young people in vulnerable situations. The agreement establishes a framework for cooperation to develop projects that promote equal opportunities, inclusion and social cohesion, using physical activity as an educational and integrating tool.

Start date: 15/02/2023

End date: 30/06/2026

Catarroja City Council

The FC Barcelona Foundation collaborates with the Catarroja City Council to restore the municipal sports pavilion affected by the DANA. This initiative reinforces Barça's commitment to the community and the promotion of sport as a tool for social inclusion.

Start date: 29/07/2025

End date: 30/06/2026

County Council of El Baix Ebre

Collaboration agreement to carry out the "Barça Activa't" project in El Perelló to improve the quality of life of vulnerable children and young people through socio-educational sport and the SportNet methodology. The aim is to promote inclusion, equal opportunities and social cohesion, with a special focus on diversity and gender equality.

Start date: 01/07/2025

End date: 30/06/2026

UNHCR / ACNUR

Global collaboration agreement to support refugee children and young people and host communities with projects that through sports, education and social awareness seek to improve living conditions, reduce vulnerabilities and raise awareness in society about the reality of millions of displaced people.
