

## How can I get my ticket for the match?

1. Download the **FC BARCELONA SOCIS APP**  
[APP FOR iOS](#)  
[APP PER ANDROID](#)
2. Identify yourself with your **membership code (ID)** and **personal code (PIN)**. You will be asked for an access code that will be used to always enter the application.
3. Make sure you have the sport '**football**' **selected**, at the top on the right.
4. You must have **as many member profiles as tickets you have purchased**. If you do not have all the profiles, you can add them with the Key Member and PIN.
5. If you have bought a ticket for the FC BARCELONA- SEVILLA match, you will see that the ticket is available in the "**FOOTBALL TICKETS**" **section**.
6. About **3 hours before the start of the match**, you will find within the APP, in the wallet, the QR code that will be your ticket to access the match or a few hours before the match, on the main screen, where it says 'match day' it appears a button that takes you to the entrance.
7. If you have put the ticket in the name of another person, you will have to transfer **the ticket** through the SOCIS APP, introducing the email of the person to whom you want to transfer it.
8. This person receives an email indicating that they must **download the FC Barcelona Tickets APP to receive it and nominate the transferred ticket there**. You must register in APP Tickets with the same email address that the member has indicated at the time of the transfer to the APP SOCIS.
9. Once the Ticket has been accepted, the next step is to indicate the nominality. Without the nominality, the QR is not activated.
10. Once the name is introduced among other data, you will be able to see the QR a few hours before the match.
